PROFESSIONAL PROFILE

A highly driven and passionate photographer, specialising in creating fashion based images with thematic concepts. Quick to understand new tasks and technologies with an already good understand of multiple softwares. Able to work well within a team whilst also a strong worker individually, and can deliver work to a very high standard to a short deadline as well as under pressure.

OBJECTIVE

After completing my MArt in Photography I am now eager to gain experience within the photographic community, developing on to the skills I have learnt and transferring these on to areas in the industry.
